## Prehistory

1. Find the Ice Age Fish. Press the buttons. How many Lakes did the Schelly fish live in?

1 2 3 4 5

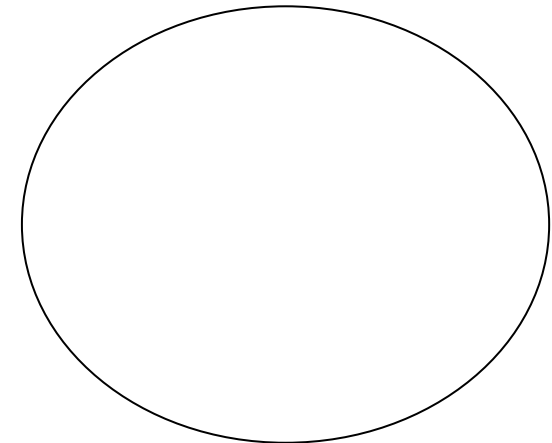

## The Romans

2. Listen to the sounds of the Roman street scene. What can you hear? Write down two things.

3. Can you spot the lion's head fountain?  
Clue: Pretend you have a worm's eye view—then look up! Tick the box if you can spot it:

4. Look for the amphora (a kind of Jug) pouring Roman coins. Imagine you are a Roman Emperor and have your face on a coin. Draw it here.

# The Middle Ages

5. Can you see the view of Carlisle Castle? On top of the castle there are flags. What colour is the dragon on the flag?

# The Georgians

6. Look at the picture of the canal. This was built in 1823. How many people can you see?

Clue: some of them are very small!

# World War Two

7. People had to travel lots during the war. Children sometimes had to be evacuated to the countryside to stay safe. There are three tiny people in the painting about to go on a journey. How do you think they feel?
