

# Time Travel at start here! Tullie...

You're going on a journey through Carlisle's history.

## Prehistory

1. Look at the big stones decorated thousands of years ago. Design your own prehistoric art work. It could be a doodle, a message to a friend or a drawing of something that happened to you—make sure it's in a prehistoric style!

2. Look at the tridents in the case. We're not sure what they were used for— what do you think?

-----

# The Bronze Age

3. Look at the weapons in the case. Draw an:

Arrowhead

Leaf shaped  
spearhead

Palstave Axe

# The Iron Age

4. Look at the huge cauldron made out of iron. Lots of food would have fit in there! Circle the things you think would have been eaten and drunk in the Iron Age.

Bread

Pizza

Beans

Sweetcorn

Chocolate

Deer

Cow

Beer

Porridge

Stew

Cabbage

Milk

Pig

Cheese

# The Romans

5. Look at the Roman altars. They were built to honour Roman gods. Have a go at drawing one yourself. The cases on the right of the arch way have lots of information about Roman gods to help you!

[NAME OF GOD]	
[NAME OF PERSON WHO BUILT THE ALTAR—YOU!]	
[WHY YOU BUILT THE ALTAR]	

6. How many different layers of rock can you see in the worms eye view?

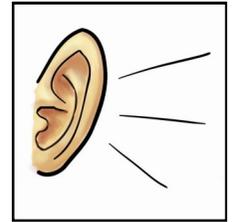

-----

How old is the oldest layer?

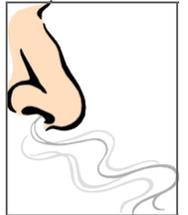

-----

7. Stop at the Roman street scene. Write down all the things you can **HEAR**:

Imagine you are standing in the Roman street. Write down all the things you can **SMELL**:

# The Vikings

8. Look inside the two cases: **Viking Burials** and **Anglians and Vikings**. There are lots of objects inside these cases. Circle the materials that the objects are made from.

Bone                  Wood                  Steel

Iron                          Plastic

Bronze                  Leather                  Fur

Silver plate                  Wool

# The Tudors

9. When was the most famous **siege** of Carlisle Castle?

— — — —

10. Imagine you are trapped inside Carlisle Castle during an attack. Write down some words that describe how you would **feel**:

11. There are lots of objects in the **Medieval Carlisle** case. Draw your favourite one and write down why you chose it.

# The Jacobites

12. In 1644 Carlisle was under siege by the **Jacobite army** for 9 months. Look inside the two windows. The left one is the inside of a house before the siege, and the right one is the inside of a house during the scene. Write down five differences:

1. \_\_\_\_\_

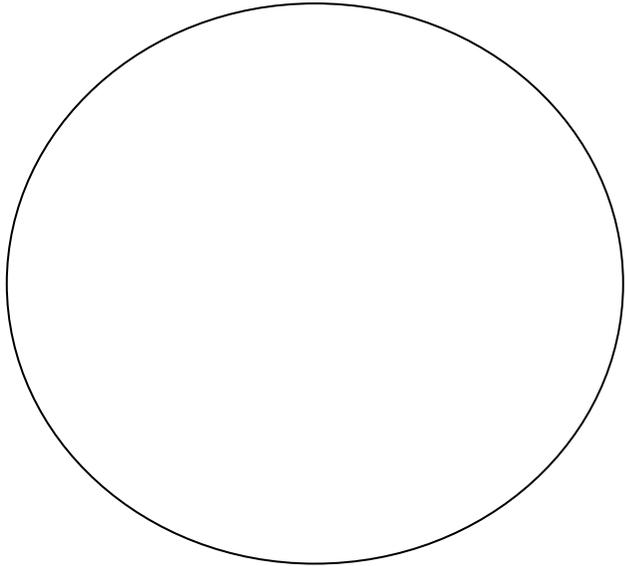

2. \_\_\_\_\_

3. \_\_\_\_\_

4. \_\_\_\_\_

5. \_\_\_\_\_

13. Look at the **souvenir medals** in the case. They were made to celebrate the defeat of Bonnie Prince Charlie and his Jacobite army. Draw your favourite one.

14. A **canal** was built in Carlisle in 1823. It connected the city with the rest of the country and changed people's lives. Look at the picture of the canal.

How many people can you spot?

The artist has written a lady's name somewhere on the picture. What is it?

# World War Two

15. Sit in the two **train carriages**. One is 1st class (more expensive) and one is 2nd class. Which do you think is the 1st class carriage?

The Left

The Right

16. During World War Two children were **evacuated** to Carlisle on trains from cities which might have been a target for bombs, like Newcastle. Children were allowed to take a small suitcase with their belongings, like clothes, toys and books. What would you take if you were evacuated?
